BELIEVE IT BABY!

Hey, what can you say other than yo and double yo. Steelers are 9-2 and my famous table slides keep coming. OK let's be honest, who in their right mind thought the Steelers would have the best record in the NFL after twelve weeks? To top that, who thought Kordel Stewart would make the cover of Sports Illustrated? Can you believe it? Well you better believe it because the 2001 Steelers your Steelers are for real it's about damn time. Yeah baby! Now I don't want to jinx the Steelers but hey we have the #1 defense and the #1 rushing game in the NFL. To me that smells like sweet success or Cajun cooking from New Orleans. New Orleans is hosting this years Super Bowl and I am personally ready to show my boobies for some beads from Bourbon Street if the Steelers go to the Super Bowl "these bleeds here up this nose". We still have some big games we need to win but we seem to be getting better and stronger each game. One game we need to win is next weeks Sunday night match up against last years Super Bowl Champs the Baltimore Ravens. Did someone say night game? That spells PARTY at your favorite Steeler Bar **HAROLD'S**. Who could forget the party we had during the Monday night game against Tennessee. I can't forget, I still have the scars to prove it. Can you say jackass? Yeah that's me but did we have fun or what!!! Hell yeah, and this Sunday night game should be bigger and better. We'll be raffling Steeler shirts, a Steeler flag, a free dinner for two (2) and much much more. Plus DJ Dex will be here spinning all your favorite Steeler jams plus more. Bring all your Steeler gear for a wild, fun and crazy football game at Harold's. Game starts at 6:30 p.m.. **Call for reservations (480) 488-1906**. See yinz at kickoff.

WHAT A DIFFERENCE A YEAR MAKES

The hits keep coming and man what a difference a year makes. I remember last year at this time the crowd was good and we had fun but compared to this year forget about it.. Fast forward 2001 this year, "WOW" is all I can say. Yinz guys are awesome baby! Each game at Harold's the crowd continues to grow and is getting louder, crazier and we are having a blast. This year if you want to reserve a table you need your damn reservation in by at least Tuesday. Success has its faults but its not a bad thing. Seriously that is what makes the Black & Gold so sacred us the fans, the best fans in the NFL. We have people twisting, shouting, dancing, prancing, and waving those notorious Terrible Towels. Is there a better place to watch a game than Harold's? I don't think so! All we need is some damn Iron City beer and rumor has it that we will have it for next Sundays game. Rumor also has it that the possibility of a flaming whip cream table slide might happen. **Remember please do not attempt to perform this stunt at home. I am a trained professional drunk and a inebriated jackass.** Thanks again fans you make Steeler Sunday so special here at Harold's. Hope to see you all here this Sunday night at 6:30 p.m. to watch the Steelers kick some ass.
